- * Attractive, slimline bins that fit most washrooms comfortably.
- * Deep, ribbed chute that prevents waste adhesion and promotes better hygiene.
- * Curved hood prevents objects being placed on the top of the bin.
- * Made from strong, durable and easy to clean ABS that does not absorb odours and retains its colour.
- * Robust pedal designed for long-term use.
- * Touch-free operation promotes best hygiene.
- * Sturdy, high quality unit that is easy to assemble and handle – 2-4 empty bins can be carried at a time.
- * 'Dry system' bins are lined so the interior is never soiled.
- * Smooth surface that is easy to clean and keep hygienic.

Interchangeable parts, so that in the event of damage lids and flaps can be replaced rather than the whole unit.
