Product ID: MGMV64 - Vertical baby changing unit

Vertical baby changing unit

The space saving MV64 vertical, fold-down baby changing unit fits where wall space is limited. It allows stylish nappy changing facilities to be provided in even the smallest of washrooms.

- New, contoured contemporary design
- Unique hinge construction eliminates finger traps
- Choice of colour to enhance any project
- Extra deep sides increase safety and eliminate the need for straps
- Withstands static loads in excess of 100Kgs
- Hygienic, easy-clean surface

Key Features:

- * The unique hinge construction eliminates finger traps even during opening and closing. The hinge rotates within the enclosed moulding eliminating exposure to moving parts
- * Superior integral strength, with stainless steel reinforced hinge, withstands static loads in excess of 100Kgs.
- * Extra deep barriers provide natural protection. This intrinsic safety feature eliminates the uncertainty involved in the use of straps. Easy to install with Magrini fixing kit.

Size: 545mm (width), 860mm (height), 140mm (closed depth), 830mm (open depth).

Material: MDPE with enclosed stainless steel reinforced hinge and gas strut closing mechanism.

Installation kit as supplied by manufacturer.

Fully compliant with BS EN 12221:2008

Colour option: Oatmeal or White Fleck.

Our Price: 216.00 GBP + VAT
